This Bulletin is to inform Market Participants of ERRA data submission requirements prior to the RF Settlement Run for the Financial Year 2012/13.

The RF Run will be published on 24 February 2014.

Trading Parties wishing to change data in the Central Systems for the period via the ERRA process must:

1. Provide Data to the CMA no later than 31 January 2014. If data is provided by this date the CMA will notify Trading Parties of any validation errors that are identified. If the Trading Party provides the corrected Data to the CMA by 7 February 2014 the data will be changed in the Central Systems prior to RF running.
2. Provide Data to the CMA by 7 February 2014 and the data will be changed in the Central Systems prior to RF running. Any data that does not pass validation will not be changed in the Central Systems prior to RF running.

Data should be provided in the same manner as all other ERRA requests.
