7.12.4 No amount in respect of interest shall be included in any adjustment under paragraph 7.12.3.

7.12.5 Nothing in this Part 7 shall be construed as preventing the CMA from withdrawing and replacing (with the same due date for payment) any Relevant Invoice, before the due date for payment, by agreement with the Trading Party concerned, where the CMA is aware of an error in such invoice or statement.

7.13 **Treatment of Performance Standard Charges**

For the avoidance of doubt payments received by the CMA in respect of Performance Standard Charges shall be held by the CMA separately from all other sums received by it pursuant to the Market Code. Such interest will accrue from day to day at the rate of four per cent (4%) over the published base-lending rate from time to time of the Bank of Scotland.

9.5 **Related Disputes**

9.5.1 If a Dispute arising under, out of or in connection with this Market Code relates to a dispute or difference under the Operational Code or a dispute or difference under a Wholesale Services Agreement ("Related Dispute") and where the Related Dispute has been referred to an expert for determination (the "Related Procedure"), any Disputing Party may or may procure that any party to the Operational Code or any party to a Wholesale Services Agreement (as appropriate) shall as soon as practicable give to the Expert the following information:-

Accordingly, any Related Dispute will be determined subject to and in accordance with the terms of Sections 9.4.2 to 9.4.4 above.

9.8 **Exclusion of certain rights and remedies**

9.8.1 Subject to Sections 9.8.2 and 9.8.6, the rights and remedies of the Trading Parties provided under the Market Code are exclusive and not cumulative and exclude and are in place of all substantive rights or remedies express or implied and provided by common law or statute in respect of the subject matter of the Market Code, including any rights which any Trading Party may possess in delict (which shall include actions brought in negligence and/or nuisance) or for breach of trust.

9.8.2 Subject to Sections 9.8.3, 9.8.4 and 9.8.6, each of the Trading Parties hereby waives to the fullest extent possible all such rights and remedies provided by common law or statute, and releases a Trading Party which is liable to another (or others), its officers, employees and agents to the same extent from all duties, liabilities, responsibilities or obligations provided by common law or statute in respect of the matters dealt with in the Market Code and undertakes not to enforce any of the same except as expressly provided herein.

- 9.8.3 The provisions of Sections 9.8.1 and 9.8.2 are without prejudice to a Trading Party's right to any equitable remedies and/or interim relief which may be available to the Trading Party.
- 9.8.4 For the avoidance of doubt, nothing in this Section 9.8 shall apply to the rights and remedies which a Trading Party may have against another Trading Party under any agreement entered into pursuant to the Market Code, provided that a Trading Party shall not be entitled to recover damages or an account more than once in respect of the same matter.
- 9.8.5 Without prejudice to Section 9.8.1, where any provision of the Market Code provides for any amount to be payable by a Trading Party upon or in respect of that Trading Party's breach of any provision of the Market Code (including the payment of any Performance Standard Charges), each Trading Party agrees and acknowledges that the remedy conferred by such provision is exclusive of and is in substitution for any remedy in damages or an account in respect of such breach or the event or circumstance giving rise thereto.
- 9.8.6 For the avoidance of doubt, nothing in this Section 9.8 shall prevent:-
- (i) the CMA from commencing and continuing court proceedings in accordance with Section 6.4.2 against any Trading Party which is, or may be in breach of any of its duties under Part 7 of the Market Code;
 - or

10.3.2 A Trading Party may not bring a claim, or refer any claim to an Expert under Part 9, against the CMA in respect of an Actionable Breach more than six (6) Months after the date on which the breach occurred or commenced or (if later) more than three (3) Months after the Trading Party became or could reasonably be expected to become aware of the breach.

10.4.2 The First Party shall be liable to the Second Party in terms of Section 10.4.1 for all Costs, arising directly from the breach, negligence, delict or other circumstance giving rise to the liability and shall not be liable for any indirect loss of any nature suffered or allegedly suffered by the Second Party.

10.4.3 No Trading Party excludes or limits liability for death or personal injury arising as a result of its negligence.

10.4.4 The aggregate liability of any Trading Party under this Section 10.4 shall in no event exceed:-

- 5.14 The Directors shall be at liberty to invite any person or persons, not being a member or members of the Company to attend at any General Meeting of the Company. The Chairman of the Directors may invite that person to speak at the meeting (but that person will have no vote).

1. This schedule sets out the method for calculating:
 - each Licensed Provider's share of the Licensed Provider CMA Charges;
 - in relation to each year, the adjustment in respect of the amounts payable by Scottish Water, its liability for any shortfall and its entitlement to any surplus; and
 - in relation to each year, the adjustment in respect of the amounts payable by each Licensed Provider, its liability for any shortfall and its entitlement to any surplus.

2. Each Licensed Provider's share of the Licensed Provider CMA Charges is as follows:

- (i) For the first Month following the Go-Live Date

$$\text{Licensed Provider Share (per Month)} = \frac{\text{Total Licensed Provider Pending Supply Point Registrations}}{\text{Aggregate Market Pending Supply Point Registrations}} \times 100\%$$

- (ii) Subsequent Months until and including August 2008

$$\text{Licensed Provider Share (per Month)} = \frac{\text{Total Licensed Provider Supply Points}}{\text{Aggregate Market Supply Points}} \times 100\%$$

- (iii) Subsequent Months from September 2008

$$\text{Licensed Provider Share (per Month)} = \frac{\text{Licensed Provider Meter Wholesale Charges}}{\text{Aggregate Market Meter Wholesale Charges}} \times 100\%$$

where,

"Licensed Provider Share (per Month)" is the Licensed Provider's percentage share of the Licensed Provider CMA Charges in any Month following the Go Live Date;

"Total Licensed Provider Pending Supply Point Registrations" is the total number of Supply Point Registrations Registered to the Licensed Provider in the Supply Point Register as at the date which is sixteen (16) Business Days prior to the Go Live Date with a Registration Start Date which is the Go Live Date;

"Aggregate Market Pending Supply Point Registrations" is the aggregate number of all Supply Points Registered to all Licensed Providers in the Supply Point Register as at the date which is sixteen (16) Business Days prior to the Go Live Date with a Registration Start Date which is the Go Live Date;

"Total Licensed Provider Supply Points" is the aggregate number of Supply Points Registered to the Licensed Provider in the Supply Point Register as at the date sixteen (16) Business Days prior to the start of the relevant Month;

"Aggregate Market Supply Points" is the aggregate number of all Supply Points Registered to all Licensed Providers in the Supply Point Register as at the date which is sixteen (16) Business Days prior to the start of the relevant Month;

"Licensed Provider Meter Wholesale Charges" is the aggregate of the Meter Related Wholesale Charges for that Licensed Provider as calculated in the R1 Settlement Run normally carried out at the beginning of the Month after the relevant Month;

"Aggregate Market Meter Wholesale Charges" is the aggregate of all Meter Related Wholesale Charges for all Licensed Providers as computed in the R1 Settlement Run normally carried out at the beginning of the Month after the relevant Month; and

"Meter Related Wholesale Charges" is the aggregate of:

- The Water Charge, being the sum of the Meter Based Annual Charge and the Volumetric Charge, as defined in the Scottish Water Wholesale Charges Scheme; and
- The Meter Based Annual Charge component and the Volumetric Charge component of the Sewerage Charge, as defined in the Scottish Water Wholesale Charges Scheme.

Where no meter is installed or meters have been installed under Scottish Water's meter installation programme the Supply Point will be assigned an assessed volume and assessed meter size based on rateable value(s) as defined in the Scottish Water Wholesale Charges Scheme and are thus included within Meter Related Wholesale Charges.

Where the assessed meter size and/or assessed consumption are not representative of the actual consumption requirements, the Supply Point may be assigned a volume based on the Operational Code Re-assessment Process and meter size based on an Assigned Meter size for a 20mm meter as defined in the Scottish Water Wholesale Charges Scheme and are thus included within Meter Related Wholesale Charges.

For the avoidance of doubt, Meter Related Wholesale Charges do not include any of the following charges that are defined in the Scottish Water Wholesale Charges Scheme:

In relation to each Year, subject to Section 7.11.4 Scottish Water shall be entitled to one third (1/3) of any surplus between the CMA Charges recovered and the CMA outturn costs.
4. The CMA shall calculate the aggregate Licensed Providers' share of the CMA outturn costs for the Year being two-thirds of the costs in the audited accounts. The CMA shall carry out a reconciliation of each Licensed Provider's share of the outturn costs by
- Allocating the aggregate Licensed Providers' share of the CMA outturn costs to each Month such that the share of the costs for each Month are proportional to the number

of days in each Month; and calculating each Licensed Provider's liability for the CMA outturn costs for each Month by applying the Licensed Provider Share (per Month) recalculated on the basis of the actual R2 Settlement Run for each month, to the aggregate Licensed Providers' share of the CMA outturn costs for the Year.

Each Licensed Provider is liable for any shortfall between the sum of the CMA Charges paid by that Licensed Provider and the sum of its liability for the CMA outturn costs as determined above. Subject to Section 7.11.4, each Licensed Provider shall be entitled to any surplus between the sum of the CMA Charges paid by that Licensed Provider and the sum of its liability for the CMA outturn costs as determined above.
