Dear Amanda,

Technical Panel

The Commission was requested to approve the Market Code Change Proposals noted below:

MCCP276 Meter Read Frequency Changes B.1

MCCP277 Trade Effluent Applications B.1

The Commission has consulted on Market Code Change Proposals 276 and 277 as required by section 8.7.1(ix)A of the Market Code.

The Commission was later informed that Market Code Change Proposal 277 has been withdrawn due to an error.

On this basis, having considered the change proposals and having received no material consultation responses, the Commission therefore only confirms its consent of Market Code Change Proposal 276 in accordance with Section 8.7.1(xi) of the Market Code.

Please let me know if you have any questions on the above.

Yours sincerely,

Cosmin Diaconita
